Community Spring Clean-up Events in Lebanon –

HHW/ Electronics/ Tires/ Shredding/ Medications/ Heavy Trash

On April 26 & 27, residents are going to have multiple resources available in Lebanon to help facilitate their spring cleaning:

- ♦ City of Lebanon residents will be able to utilize the Lebanon Street Department (1301 Lafayette Ave., Lebanon) for their heavy trash drop off on both Friday, April 26 and Saturday, April 27 from 7am to 4pm.
- ♦ The Central Indiana Crimestoppers will be at the Lebanon Municipal Building (401 S. Meridian St., Lebanon) on Saturday, April 27 from 10am to 1pm shredding documents (\$5 donation per box) and collecting unwanted medications. This opportunity is open to ALL Boone County residents.

♦ **Household Hazardous Waste Collection & Electronics Recycling** will be on Saturday, April 27 from 9am to 2pm at the Solid Waste Management District Office (416 W. Camp St., Lebanon) for ALL Boone County residents. **Accepted Items include:** Vehicle Fluids, Small Propane Tanks, Adhesives, Fire Extinguishers,

Fluorescent Tube Lights/CFL Bulbs, Oil Based Paint, Thinner, Stain, Pesticides, Herbicides, Insecticides, Household Cleaners, Aerosols,

Pool Chemicals, Thermometers/Thermostats, Batteries (Automobile & Rechargeable), Sharps, Electronics (Free, with the exception of a \$10 donation for tube based TVs), & Tires (Limits 6 4 vehicle or truck tires, 2 tractor tires, or 4 tire maximum combination thereof). **Items NOT Accepted:** Business or Industrial Waste, Radioactive Waste, Explosives (Ammo, Fireworks, Flares, etc.), Alkaline Batteries, & Latex Paint.

Program Spotlight: Scholarship Recipients Announced

The Boone County Solid Waste Management District provides \$500 scholarships to graduating seniors that have made an environmental impact on their community. Past winners have started recycling campaigns in their schools, worked on litter cleanup programs and plan to study environmental sciences in college! This May, the District will award the scholarships to the following Boone County residents:

Lebanon High School - Haley Marie Witt

Sheridan High School - Micah Powers

Congratulations and good luck! We look forward to their future accomplishments impacting our environment and the Earth!

How Do I Make...

Every Day Earth Day

The first Earth Day, held in 1970, led to the creation of the U.S. Environmental Protection Agency and the passage of the Clean Air, Clean Water, and the Endangered Species Acts. It inspired the environmental movement in the U.S. and is now celebrated in over 140 countries by millions of people each year. This year Earth Day is being celebrated on Monday, April 22.

The question is, "What can you do to make every day Earth Day?" A good first step is to attend the Zion Nature Center's Greenfest the day before to learn more about the opportunities you can do! Then, take action and realize every person and every little bit helps!!!
